MEMORANDUM FOR: Deputy Director of Training

25X1

SUBJECT : Progress Report, Week of October 10-16, inclusive

25X1

1. During the week covered by this report, the Programs Division has reviewed and recommended approval by the Director of Training of one request for external training and disapproval of one request. Three additional requests currently are being reviewed. 25X1

2. During the week, on the initiative of [] of the Medical Office, [] discussed possibilities for development of a long-range training plan for medical personnel. [] inquiry was exploratory only. He indicated that they would like to begin planning now, however, for a program to begin about July 1, 1954. 25X1

3. [] discussed with OCD's TLO [] and OCD/IR [] an IR desire to have training possibilities in certain government and non-government installations explored for possible opportunities for training CIA personnel. [] offered to explore initially on a limited scale certain government installations, beginning with the [] Following these investigations, we propose to return to OCD to discuss possibilities for actual programs. 25X1
